INTER-CITY SERVICE

RATES—Rate information will be found on page Four.

HOW TO MAKE INTER-CITY CALLS

Whether you use Person-to-Person Service, or the less expensive Station-to-Station Service, your calls can be handled faster if you give the operator the number of the called telephone. Either "Information" or the Business Office will furnish such numbers as you may desire.

An Inter-City Directory in which we will enter rate and number information for the particular out-of-town points you may be interested in calling will be supplied free upon request made to the Business Office.

STATION-TO-STATION SERVICE

STATION-TO-STATION rates apply when you will talk to anyone who answers the telephone. Charges may be reversed where the initial rate is 25 cents or more.

PERSON-TO-PERSON SERVICE

PERSON-TO-PERSON rates apply when you tell the operator to summon a particular person to the telephone.

APPOINTMENT CALLS

A definite time for conversation may be specified in placing Person-to-Person calls. Such calls are known as "Appointment Calls." The Telephone Company will endeavor to complete the connection at the time specified.

A charge slightly higher than the Person-to-Person rate is made for Appointment Calls to Pacific Coast points.

MESSENGER CALLS

Person-to-Person calls may be made for an individual not having telephone service. In placing such calls, ask to have a messenger sent to bring the desired person to a telephone. This type of call is known as a "Messenger Call."

A charge slightly higher than the Person-to-Person rate is made for Messenger Calls to Pacific Coast points. In addition, the messenger charge incurred applies even if the desired conversation is not held.

REPORT CHARGES

If the called telephone is reached but the call cannot be completed because the person desired is not available and cannot be reached elsewhere, or for other reasons beyond the control of the Telephone Company, a nominal report charge is made to partially compensate the Telephone Company for the work done on the call.

NUMBER SERVICE

NUMBER SERVICE applies to certain near-by points listed below, and such calls are accepted by number only. When this service is desired give the first operator who answers the name of the city and the telephone number you are calling.

VISITORS WELCOME

Visitors to our Central Office are welcome.

You will find the equipment used and the methods employed in rendering telephone service interesting.

An appreciation of what is involved in handling your calls will be helpful in our efforts to give a satisfactory service.

We shall be especially glad to arrange for visits by student groups, clubs, societies or associations.

Arrangements for visiting should be made at the Company's Business Office, 519 Exchange Street or by calling 1000.

RATES TO SOME OUT-OF-TOWN POINTS

NOTE—Reduced Evening and Night rates apply only on Station-to-Station calls. Rates to points not listed below may be obtained by calling "Long Distance."

Faster service may be obtained by giving the out-of-town number. Telephone numbers for many out-of-town points may be secured by calling "Information."

The "hired man" *that's* always on the job...

He doesn't go off to town and leave the gates open.... or forget to come back.... or forget that tomorrow's a day for *work*. He doesn't loaf.... doesn't quit.... doesn't grouch. He's *on the job*, seven days a week, the year around. And his wages are only a few cents a day.
